The number of fittings does not correlate to the quality or fit of the finished garment.

All weights are woven in different qualities.

I am also being sponsored by people like you to help me develop my site and add more good tailors in it.

Don't fall for cheap packages or special deals advertised in glossy brochures advertising a suit, a pair of trousers and two shirts for, say, US\$ 95.

How many fittings should you expect to have? If they make the suit straight through (i.e.
