It pays to do your homework before making your first appointment with a tailor.

Deepak NOT A TAILOR, A FACILITATOR.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

The content of this site is based upon my personal opinion.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.

Some tailors will offer more than one fitting at an advanced stage of production.
