The number of fittings does not correlate to the quality or fit of the finished garment.

It pays to do your homework before making your first appointment with a tailor.

Don't fall for cheap packages or special deals advertised in glossy brochures advertising a suit, a pair of trousers and two shirts for, say, US\$ 95.

All weights are woven in different qualities.

I am also being sponsored by people like you to help me develop my site and add more good tailors in it. measure you and then the next time you meet the suit is ready), it probably is factory made.
