Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

Deepak NOT A TAILOR, A FACILITATOR.

To save time and energy, and if you have a specific design in mind, make sure you arrive at the tailor's equipped with something for them to copy.

How many fittings should you expect to have? If they make the suit straight through (i.e.

You can get heavier and lighter fabrics, but in these days of air conditioning, central heating and global warming you should find what you need in this range.

I am a Facilitator.

I am also being sponsored by people like you to help me develop my site and add more good tailors in it.

All weights are woven in different qualities.
