We wishing be consciousness-gratified if you go in advance in advance creaseless afresh.

Many of the bigger hotels also have a reliable, good quality service on the premises for tailor-made clothing. It is at this time that any alterations can be made easily (ie.

Cloth is manufactured in many different weights and many different compositions, traditionally measured in ounces.

visit any of the tailors recommended by me, please help me by giving my reference

Ranked high on most visitors' must-buy list, tailor-made clothing in Thailand is an excellent choice, especially when you can't seem to find a perfect fit in ready-to-wear shops.

A lot is to be said for engineered jobs and each suit is only as good as the tailor who measures you.

In the news Another perspective on the tailoring industry by the reporter of Bangkok Post, the leading English language newspaper in Thailand, based on his extensive research.

How long have they been in the trade? This will let you know how much experience they have.

Traditionally Yorkshire is renowned for manufacturing good quality worsteds, sometimes mixed with other fabric (i.e.

I used to be in the tailor business myself and I understand the prices and quality well.
