Some tailors will offer more than one fitting at an advanced stage of production.

To save time and energy, and if you have a specific design in mind, make sure you arrive at the tailor's equipped with something for them to copy.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

Deepak NOT A TAILOR, A FACILITATOR.

You can get heavier and lighter fabrics, but in these days of air conditioning, central heating and global warming you should find what you need in this range.

I am a Facilitator.

How many fittings should you expect to have? If they make the suit straight through (i.e.

A beginners' guide.

I am also being sponsored by people like you to help me develop my site and add more good tailors in it.
