Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.

I can assure you, if they are on my list, they are reliable.

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Fittings are a way of checking that the garment will fit precisely.

I used to be in the tailor business myself and I understand the prices and quality well.

Traditionally Yorkshire is renowned for manufacturing good quality worsteds, sometimes mixed with other fabric (i.e.

If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

In the news Another perspective on the tailoring industry by the reporter of Bangkok Post, the leading English language newspaper in Thailand, based on his extensive research.

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.
