Bear in mind that proper tailoring does require time and patience to ensure desirable results.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.

In countries with different climates you can go heavier or lighter.

Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further.

If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

A good tailor will always listen to your requirements and then advise you of what will work best.

Fittings are a way of checking that the garment will fit precisely.

Is it best to have a hand-made suit? There is no easy answer as to which is best.

I have individually hand-picked each one of them as I am aware of the prices and quality of their products.
