Don't fall for cheap packages or special deals advertised in glossy brochures advertising a suit, a pair of trousers and two shirts for, say, US\$ 95.

Ask to see some examples of their work.

measure you and then the next time you meet the suit is ready), it probably is factory made.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.

The content of this site is based upon my personal opinion.

This site is not about advertising.

Generally tailors will only use the best fabrics as even a novice can tell the difference when feeling the different cloths.

It pays to do your homework before making your first appointment with a tailor.
