cashmere), these cloths will last for years.

With all my sincere effort and experience I have summed up some pointers and also a list of reliable tailors from all over Thailand.

I was interviewed as well.

How long have they been in the trade? This will let you know how much experience they have.

Human Resource My name is Deepak, and I am not a Tailor.

Fabrics generally range from 9oz lightweight fabric to 17oz or above for a heavier fabric.

A lot is to be said for engineered jobs and each suit is only as good as the tailor who measures you.

Ranked high on most visitors' must-buy list, tailor-made clothing in Thailand is an excellent choice, especially when you can't seem to find a perfect fit in ready-to-wear shops.

You may want to consider those shops, but then again, I would advise you to do your research before you decide to use their service.

It is at this time that any alterations can be made easily (ie.
