You may want to consider those shops, but then again, I would advise you to do your research before you decide to use their service.

Famed for their swift sewing and competent craftsmanship, tailors in Thailand are trusted and chosen by many to have their clothes made the way they prefer.

Should you want to share your experiences with me please publish it on my Weblog.

Fabrics generally range from 9oz lightweight fabric to 17oz or above for a heavier fabric.

Human Resource My name is Deepak, and I am not a Tailor.

Many companies these days employ salespeople who may only have few weeks training before being sent out to visit clients.

I was interviewed as well.

Why am I doing this? Let's just say I am trying to give good tailors in Thailand an exposure they deserve for a small fee I charge them.
