Famed for their swift sewing and competent craftsmanship, tailors in Thailand are trusted and chosen by many to have their clothes made the way they prefer.

Many companies these days employ salespeople who may only have few weeks training before being sent out to visit clients.

the length of the sleeve, movement through the back, etc).

Reliable Tailors | Thailand Tailors, Bangkok Tailors, Pattaya & Jomtien Tailors, Phuket Tailors, Krabi Tailors, Why am I doing this? Let's just say I am trying to give good tailors in Thailand an exposure they deserve for a small fee I charge them.

This is due to the strength of the fabric when woven.

You may want to consider those shops, but then again, I would advise you to do your research before you decide to use their service.

A beginners' guide.

Fabrics generally range from 9oz lightweight fabric to 17oz or above for a heavier fabric.
