In the news Another perspective on the tailoring industry by the reporter of Bangkok Post, the leading English language newspaper in Thailand, based on his extensive research.

Traditionally Yorkshire is renowned for manufacturing good quality worsteds, sometimes mixed with other fabric (i.e.

visit any of the tailors recommended by me, please help me by giving my reference

I used to be in the tailor business myself and I understand the prices and quality well.

Cloth is manufactured in many different weights and many different compositions, traditionally measured in ounces.

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Many of the bigger hotels also have a reliable, good quality service on the premises for tailor-made clothing.

Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.

I can assure you, if they are on my list, they are reliable.

It is at this time that any alterations can be made easily (ie.
