I am also being sponsored by people like you to help me develop my site and add more good tailors in it.

All weights are woven in different qualities.

Deepak NOT A TAILOR, A FACILITATOR.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

It pays to do your homework before making your first appointment with a tailor.

Some tailors will offer more than one fitting at an advanced stage of production.
