Fittings are a way of checking that the garment will fit precisely.

If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

I can assure you, if they are on my list, they are reliable.

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.

Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.

I used to be in the tailor business myself and I understand the prices and quality well.

In countries with different climates you can go heavier or lighter.
