I am also being sponsored by people like you to help me develop my site and add more good tailors in it.

How many fittings should you expect to have? If they make the suit straight through (i.e.

All weights are woven in different qualities.

Deepak NOT A TAILOR, A FACILITATOR.

It pays to do your homework before making your first appointment with a tailor.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

The content of this site is based upon my personal opinion.

Some tailors will offer more than one fitting at an advanced stage of production.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.
