I am also being sponsored by people like you to help me develop my site and add more good tailors in it. All weights are woven in different qualities.

How many fittings should you expect to have? If they make the suit straight through (i.e.

It pays to do your homework before making your first appointment with a tailor.

Deepak NOT A TAILOR, A FACILITATOR.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

The content of this site is based upon my personal opinion.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.

Some tailors will offer more than one fitting at an advanced stage of production.
