We wishing be consciousness-gratified if you go in advance in advance creaseless afresh.

Fittings are a way of checking that the garment will fit precisely.

I can assure you, if they are on my list, they are reliable.

Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.

If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

I used to be in the tailor business myself and I understand the prices and quality well.

Traditionally Yorkshire is renowned for manufacturing good quality worsteds, sometimes mixed with other fabric (i.e.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.
