A good tailor will always listen to your requirements and then advise you of what will work best.

Is it best to have a hand-made suit? There is no easy answer as to which is best.

I have individually hand-picked each one of them as I am aware of the prices and quality of their products.

Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further.

In countries with different climates you can go heavier or lighter.

Nothing is wrong with that as long as the price reflects this and you have not been overcharged.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.

Chances are good you'll end up paying much more than what you wanted to and having to settle for inferior quality.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.
