To save time and energy, and if you have a specific design in mind, make sure you arrive at the tailor's equipped with something for them to copy.

Hua hin Tailors, Koh Samui Tailors, Koh Chang Tailors, Chiang Mai Tailors, Schneider Pattaya Jomtien

Some tailors will offer more than one fitting at an advanced stage of production.

You can get heavier and lighter fabrics, but in these days of air conditioning, central heating and global warming you should find what you need in this range.

I am a Facilitator.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.

Deepak NOT A TAILOR, A FACILITATOR.

A beginners' guide.

How many fittings should you expect to have? If they make the suit straight through (i.e.

This is due to the strength of the fabric when woven.
