If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.

Fittings are a way of checking that the garment will fit precisely.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

I can assure you, if they are on my list, they are reliable.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.

Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.

In countries with different climates you can go heavier or lighter.

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further.
