Why am I doing this? Let's just say I am trying to give good tailors in Thailand an exposure they deserve for a small fee I charge them.

This is due to the strength of the fabric when woven.

Many companies these days employ salespeople who may only have few weeks training before being sent out to visit clients.

A beginners' guide.

Should you want to share your experiences with me please publish it on my Weblog.

I am a Facilitator.

Famed for their swift sewing and competent craftsmanship, tailors in Thailand are trusted and chosen by many to have their clothes made the way they prefer.

You can get heavier and lighter fabrics, but in these days of air conditioning, central heating and global warming you should find what you need in this range.

the length of the sleeve, movement through the back, etc).

To save time and energy, and if you have a specific design in mind, make sure you arrive at the tailor's equipped with something for them to copy.
