Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further. I have individually hand-picked each one of them as I am aware of the prices and quality of their products.

In countries with different climates you can go heavier or lighter.

Nothing is wrong with that as long as the price reflects this and you have not been overcharged.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.

in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

Chances are good you'll end up paying much more than what you wanted to and having to settle for inferior quality.

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.
