It pays to do your homework before making your first appointment with a tailor.

All weights are woven in different qualities.

I am also being sponsored by people like you to help me develop my site and add more good tailors in it.

The content of this site is based upon my personal opinion.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.

How many fittings should you expect to have? If they make the suit straight through (i.e.

Ask to see some examples of their work.

Deepak NOT A TAILOR, A FACILITATOR.

Although choosing a good tailor can be a daunting task in Thailand where tailor shops are ubiquitous, with a bit of careful planning and research it's not impossible.
