Don't fall for cheap packages or special deals advertised in glossy brochures advertising a suit, a pair of trousers and two shirts for, say, US\$ 95.

The number of fittings does not correlate to the quality or fit of the finished garment.

Hua Hin Bangkok Phuket Krabi Samui Allow Me To Guide You Home | Recommended Tailor measure you and then the next time you meet the suit is ready), it probably is factory made.

Ask to see some examples of their work.

This site is not about advertising.

Generally tailors will only use the best fabrics as even a novice can tell the difference when feeling the different cloths.

For those of you who work in grams, a simple conversion guide is 30grams = 1oz.

The content of this site is based upon my personal opinion.

If you are lucky you will get a recommendation from somebody you know who already uses a tailor.
