Nothing is wrong with that as long as the price reflects this and you have not been overcharged. I have individually hand-picked each one of them as I am aware of the prices and quality of their products. Is it best to have a hand-made suit? There is no easy answer as to which is best. Chances are good you'll end up paying much more than what you wanted to and having to settle for inferior quality.

A good tailor will always listen to your requirements and then advise you of what will work best. What types of fabric do they offer? The first thing to do when you meet your tailor is choose a fabric. Shops | Share your Experience | Contact me What is Quality Know your Wool Latest Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further. In countries with different climates you can go heavier or lighter. Inspect the stitching, lining, quality of fabric used and general workmanship .Unless you really don't have anything to wear or are pressed for time, the ready-in-24-hours option should be avoided.
