A lot is to be said for engineered jobs and each suit is only as good as the tailor who measures you. Ranked high on most visitors' must-buy list, tailor-made clothing in Thailand is an excellent choice, especially when you can't seem to find a perfect fit in ready-to-wear shops. How long have they been in the trade? This will let you know how much experience they have. It is at this time that any alterations can be made easily (ie. With all my sincere effort and experience I have summed up some pointers and also a list of reliable tailors from all over Thailand. cashmere), these cloths will last for years. Many of the bigger hotels also have a reliable, good quality service on the premises for tailor-made clothing. I was interviewed as well. Cloth is manufactured in many different weights and many different compositions, traditionally measured in ounces. visit any of the tailors recommended by me, please help me by giving my reference
