You can get heavier and lighter fabrics, but in these days of air conditioning, central heating and global warming you should find what you need in this range.

This is due to the strength of the fabric when woven.

Why am I doing this? Let's just say I am trying to give good tailors in Thailand an exposure they deserve for a small fee I charge them.

To save time and energy, and if you have a specific design in mind, make sure you arrive at the tailor's equipped with something for them to copy.

Many companies these days employ salespeople who may only have few weeks training before being sent out to visit clients.

Hua hin Tailors, Koh Samui Tailors, Koh Chang Tailors, Chiang Mai Tailors, Schneider Pattaya Jomtien

Some tailors will offer more than one fitting at an advanced stage of production.

Should you want to share your experiences with me please publish it on my Weblog.
