With all my sincere effort and experience I have summed up some pointers and also a list of reliable tailors from all over Thailand.

cashmere), these cloths will last for years.

How long have they been in the trade? This will let you know how much experience they have.

I was interviewed as well.

A lot is to be said for engineered jobs and each suit is only as good as the tailor who measures you.

Ranked high on most visitors' must-buy list, tailor-made clothing in Thailand is an excellent choice, especially when you can't seem to find a perfect fit in ready-to-wear shops.

Human Resource My name is Deepak, and I am not a Tailor.

Fabrics generally range from 9oz lightweight fabric to 17oz or above for a heavier fabric.

It is at this time that any alterations can be made easily (ie.

You may want to consider those shops, but then again, I would advise you to do your research before you decide to use their service.
