in Styles Maintain your Fabric Directory of Tailors Submit to Directory If you choose to

Before you consider design and colour you need to think about the weight and type of fabric and what you will wear it for.

Bear in mind that proper tailoring does require time and patience to ensure desirable results.

If you don't know where to go, your hotel should be able to give you a few pointers, but do not take their word for granted.

In countries with different climates you can go heavier or lighter.

Confused about which tailor shop to go to buy nice custom made clothes here in Thailand? Well, look no further.

Fittings are a way of checking that the garment will fit precisely.

A good tailor will always listen to your requirements and then advise you of what will work best.

I can assure you, if they are on my list, they are reliable.

Even though hand-made work should win hands down but, if cut wrong, you will not get the finish you are looking for.
