A good, all year round fabric in England would be around 11-12 oz with 9oz being good in summer and 13oz good for winter.

Inspect the stitching, lining, quality of fabric used and general workmanship .Unless you really don't have anything to wear or are pressed for time, the ready-in-24-hours option should be avoided.

Its purpose is to provide information and recommend tailor shops in Thailand (Bangkok, Pattaya, Hua Hin, Phuket, Chiang Mai, Koh Chang and Koh Samui so far) that I PERSONALLY CONSIDER good.

Shops | Share your Experience | Contact me What is Quality Know your Wool Latest

If you are lucky you will get a recommendation from somebody you know who already uses a tailor.

What types of fabric do they offer? The first thing to do when you meet your tailor is choose a fabric.

Generally tailors will only use the best fabrics as even a novice can tell the difference when feeling the different cloths.

Chances are good you'll end up paying much more than what you wanted to and having to settle for inferior quality.

This site is not about advertising.

measure you and then the next time you meet the suit is ready), it probably is factory made.

Fen - wikipedia, the free encyclopedia

A fen is one of the main types of wetland, the others being grassy marshes, forested swamps, and peaty bogs. Along with bogs, fens are a kind of mire.
