Cloth is manufactured in many different weights and many different compositions, traditionally measured in ounces.

In the news Another perspective on the tailoring industry by the reporter of Bangkok Post, the leading English language newspaper in Thailand, based on his extensive research.

Many of the bigger hotels also have a reliable, good quality service on the premises for tailor-made clothing.

Traditionally Yorkshire is renowned for manufacturing good quality worsteds, sometimes mixed with other fabric (i.e.

I used to be in the tailor business myself and I understand the prices and quality well.

It is at this time that any alterations can be made easily (ie.

It is also important that you please use your best judgment if you are being convinced by local taxis to take you to a reputable shop.

Ranked high on most visitors' must-buy list, tailor-made clothing in Thailand is an excellent choice, especially when you can't seem to find a perfect fit in ready-to-wear shops.

A lot is to be said for engineered jobs and each suit is only as good as the tailor who measures you.
